February Monthly through September Monthly Reports

Periods of 1/1/99-8/31/99

Dear Mr. Davis:

With reference to the above reports, please be advised that the Democratic Senatorial Campaign Committee exercises "best efforts" in attempting to obtain contributor information such as full name, mailing address, occupation and employer. All Committee solicitations and invitations request the required information (example enclosed). Once a month, letters are sent to donors requesting missing information. As information is received, the donor database is updated and addendum reports are sent with our next FEC report. The following month, the Committee sends an additional request for this missing information. Examples of our follow-up letter and addendum are enclosed.

During the 1997-1998 election cycle there was non-federal activity from certain accounts however, these accounts are not included in the 1999 reports as the accounts were closed during 1998: The Non-federal Corporate II account was closed at 9/30/98. The Non-federal Individual Line of Credit account was closed 8/3/98. The Non-federal Money Market account was closed by 9/30/98. The Non-federal North Carolina account was closed by 10/31/98.

A receipt of \$25,846.80 from Victory in New York, a joint fundraising committee affiliated with our Committee, was the final distribution on the joint fundraising committee's termination report. No memo entry was reported on the DSCC's April Monthly report as all contributions were appropriately reported as memo entries on prior months' reports.
